The **Azoris Faial Garden – Resort Hotel** has the perfect concept for those looking to spend their holidays in the purest rest and tranquility of Nature. With a breathtaking view over the Atlantic and a privileged setting over the Pico Mountain, this 4-star hotel offers comfort and well-being to welcome its guests.

Located in the city of Horta, on the island of Faial, at a **5-minute walk from the center and the marina**, it has a total of **131 rooms**, comprising 4 suites, 2 superior executives, 26 executives with ocean view and 99 standard rooms. There is a **Wellness Center** at your disposal so you can take care of yourself – Jacuzzi, Sauna, Turkish Bath, Gym-, and you can also enjoy the outdoor and indoor **Swimming Pools**, or have fun with a game of **Tennis**, in addition to offering **Free Parking** within the property of extensive greens and charming villas.

It also offers **Rooms** for holding meetings, seminars, conferences, congresses, or other events, with all the essential equipment and services. It has a panoramic **Restaurant** overlooking the sea and Pico Mountain, which delights private and corporate events. It also has a **Bar** open all year, with a service of light meals and drinks, and a snack bar with **Terrace** during the summer period.

## CURIOSITY

**Did you know ...** the hotel was initially owned by an American telecommunications company, Western Union. There are still traces of submarine cables to unveil History.

## Horta

At a 5-minute walk from the historic center, Azoris Faial Garden takes up as a true green resort integrated in the main shopping and services area of the city of Horta.
